The Phoenix Rising

[Renewal Through Fire]

The Firebird of Eternity
Dies to be Reborn
The Cycle of Resurrection

In the Arabian desert

🔥————🔥

Five hundred years it lives
And when its time is come
It builds a nest of spices

Cinnamon ✦ Myrrh ✦ Frankincense

And in the nest it sings
One final beautiful song
Then beats its wings

————

The flames consume

The fire engulfs bird and nest
The flames reduce all to ash
The form dissolves

Ash to ash

But from the ashes
A new phoenix emerges
Young and radiant

🦅————🦅

First a worm in the ashes
Then a fledgling chick
Then the magnificent bird

DEATH IS NOT THE END
BUT A TRANSFORMATION

What if a demon crept after you
Into your loneliest loneliness

You will have to live it

And countless times more

Every pain
Every joy
Every thought and sigh

Everything in the same succession
And sequence
Even this spider
And this moonlight

⊛──────⊛

The eternal hourglass

The universe is a circle
Time is a ring
Existence is recurrence
